SCHOLASTIC AND AGE CRITERIA

AGE CRITERIA

1. **Age Criteria:** The age of the athlete must be in the year of the competition (refer to birth year guide).
E.g. For University division, an athlete who is 17 but turning 18 by 31st December is eligible for the division. An athlete who is 24 turning 25 on 1st January is eligible for University division.
2. **Minimum Age Criteria:** For student athletes on academic acceleration program (early entrance or grade skipping), minimum age criteria, if stated, will apply for safety purposes.
3. It is the responsibility of the coaches, program directors, advisors, officers/teachers in-charge, and/or gym/club/studio owners to ensure and verify the age eligibility for all athletes (including alternates) within their own program. Once verified, it is further the responsibility of the above-named parties to ensure the data is entered into the registered roster accurately. Typos and errors on the part of delegated administrator, or parent dishonesty are not a valid excuse for inaccurate age data.

DIVISION SPLIT AND COMBINATION

1. To maintain a competitive atmosphere, divisions may be split or combined at any time leading to the competition.
2. All Girl and Coed divisions will be combined into one division if only one team compete in each division.

Substitutes must be registered as one of the team members as alternates and abide by the age restrictions and eligibility requirements in all divisions. Unregistered alternates are not allowed to participate in the competition.
4. Fielding non-registered alternates will result in an automatic team disqualification.

CROSSOVERS

1. Crossovers are allowed between divisions. Each athlete may not represent more than one team within the same division.
2. Crossovers are at the athlete’s risk. Crossover athletes may miss scheduled warm-ups and while the organisers make every effort to provide time for uniform changes and/or rest between crossover routines, more than ten-minute interval between competition time of routines is not guaranteed. The rehearsal and championship schedule will not be changed or delayed to accommodate the crossovers.

DIVISIONS

ELIGIBILITY POLICY

1. In fairness to all, the organizer strictly enforces its eligibility policy and requirements for each division.
2. The organizer reserves the right to assess a penalty, disqualify, reclaim any and/or all awards and remove television appearance (if applicable) for any team found to be in violation of the eligibility policy, whether before, during or after the event.
3. Each participant is to submit the **Individual Participant Release/Waiver Form** "Waiver" to complete the registration. Participants who did not submit the Waiver will NOT be eligible to compete in the competition. Participants aged below eighteen years of age "Minors" require a parent/guardian to complete the Waiver.
4. Each team is required to have **at least ONE registered coach on the team roster** to be eligible for competition. It is the responsibility of the school/gym/studio/club/program owners to make sure the coach has the relevant coach accreditation for the level / category of the teams they coach to compete and is at least eighteen (assistant coach) or twenty-one (head coach) years of age.

DIVISIONS

ROUTINE REQUIREMENTS

PYRAMID DIVISIONS

Pyramid division is a pyramid-only division performed to music. The divisions use the Group Stunt and Coed Stunt score sheet.

Routine Limitations

1. Props are NOT allowed.
2. Stunts, basket tosses, tumbling, dance, and jumps are not adjudicated components in the score sheet. You are permitted to do them but are not necessary and do not add to your scores. Note that they are subjected to legalities.

TEAM CHEER DIVISIONS

Cheer Portion

1. Based on importance of separation of cheerleading from other sports; making it a unique sport globally, a Cheer must be included in the beginning or middle of routine. Use of native language (including sign language) in the Cheer and using a more school pride style cheer is encouraged. The Cheer portion of the routine is based on the ability to lead the crowd for the team's school/organization, use of signs, poms, flags, megaphones, and practical use of stunt/pyramids to lead the crowd.
2. The cheer portion must be performed without music. No voice-overs or words may be recorded to make the team vocal projection louder.

Tumbling Portion

To attribute to the unique team nature of the sport of cheerleading, a minimum of two athletes tumbling in synchronization is required for a score in the tumbling component of the score sheet. No scores will be awarded under the tumbling component on the score sheet for individual tumbling but will go under overall effect component on the score sheet.
